## case study

Lord Lawson of Beamish 'Schools For The Future'

### Lord Lawson of Beamish 'Schools For The Future'

#### Client

Gateshead Council

#### Project

Lord Lawson of Beamish  
High School

#### Value

£80,000

#### Services & Solutions Provided

IP Video Surveillance  
Digital TV & OneLAN  
Digital Signage Solution  
Maintenance Services

The 'Gateshead Extended School's Project' was introduced to provide new and refurbished secondary & primary schools that are designed to provide a range of services & activities often beyond the school day, to help meet the needs of not only pupils but also their families and the wider community.

Boston Networks remit was to design and supply a cutting-edge IP video surveillance solution which would provide both staff & pupils with a safe learning environment all day, every day.

Digital Signage was also introduced throughout the school providing real time information updates to staff and pupils.

Boston Networks maintenance & support division provide Lord Lawson with a comprehensive service level agreement spanning the life of the installed systems.
